Fishing

The 1000 Islands region is known as one of the world's premier fishing destinations. Catches of small and large mouth bass, northern pike, muskie, catfish, carp, bluegills, yellow perch and rock bass are just outside your door. Try your luck from our docks, bring your own boat or rent one of ours.

Kayaking

Riverbay's unique location offers protected paddling in the bay and nearby creeks, while at the same time allowing the more experienced and adventurous paddlers easy access to open water. Feel free to bring your own kayak or rent one of ours. Rentals are by the day or half day. Guided tours are available on request.

Scuba Diving

Our stretch of the St. Lawrence River is a top dive area and has been featured in diving magazines. Riverbay Adventure Inn is minutes away from two of the most prominent wrecks in the St. Lawrence area—the America and Keystorm. In addition to these wrecks and other nearby wrecks, there are numerous locations very close by to see the amazing underwater landscape. Riverbay will be teaming with local PDAI certified dive operators this season for you to take full advantage of these opportunities. Please inquire with our staff for more information.
